

Director Industrial Field Services

[Apply Now](#)

Company: Reimer Associates Inc.

Location: Greater Toronto Area

Category: production

Our client, located in the GTA east, is a market leader in the Industrial Battery Industry in Canada. They are looking for a Director, Industrial Field Services to join their team. Reporting to the Vice President, the Director, Industrial Field Services is responsible to manage and oversee effective and profitable service and installation plans, objectives, budgets, and programs across Canada. The right person will have significant combined experience in a technical service-related field and management role coupled with strong strategic planning and well developed negotiation skills. In addition, the right person will have excellent people, communication and problem solving skills and a desire to be part of a growing and successful company. Knowledge of the automotive after-market and the industrial battery industry is required. Candidates must have the ability to travel across Canada as required. This position comes with a very competitive compensation plan.
