**Driver Team Lead** 

Description

Bilingual Driver Team Lead

Mosaic is a leading North American Integrated Agency, specialized in connecting brands with consumers through Experiential Marketing, Sales & Merchandising, and Shopper Marketing. At Mosaic, we are never satisfied with the status quo and are in constant search for new ideas and new ways to help our clients build their brands amidst the evolving dynamics of empowered consumers and leveraging new technologies.

As aDriver Team Leadfor A leading coffee brand, you will be a crucial part of our program, working remotely from the field. Your role involves extensive travel, management, and operation of new Beverage/Food assets/truck across various activation locations within your region and throughout Canada. This is a full-time fixed-term contract position, requiring availability until the end of December 2024.

Key Responsibilities

Leadership and Supervision

Lead, train, and supervise a team of brand ambassadors for activations. Oversee all local staff, reporting team updates and issues to the Regional Manager Event Operations

Manage set-up, tear down, and day-to-day operations of assets during events. Handle tasks requiring heavy lifting and prolonged periods of standing. Ensure compliance with health and safety standards as per provincial guidelines. Relationship Building

Build and maintain strong relationships with vendors, clients, and field teams. Serve as the

main point of contact for local vendors, staff, and client communications. Logistics and Inventory Manage team schedules based on staffing needs for each activation. Track inventory in assets and at regional storage locations, including product ordering and receiving. Own and manage activations from start to finish, including logistical planning and duties. Reporting and Documentation

Complete daily travel/driving logs.Conduct daily cleaning and maintenance of various equipment.Provide daily field reporting to the Regional Manager.Fleet Management Monitor the fleet's condition, reporting damages and repairs required to the Regional Manager.Assist in scheduling and travel planning with the Regional Manager as needed.Software UtilizationUtilize company software for documentation and communication. Region CoverageEnsure coverage across all selected regions for activations.Qualifications MUST be fully bilingual in English and French (written and oral communication).

Experience and Leadership

Previous experience in team leadership or management roles. Ability to lead, train, and supervise a team of brand ambassadors for activations. Event Operations Skills

Proficiency in managing set-up, tear down, and day-to-day operations of assets during events. Comfort with tasks requiring heavy lifting and prolonged periods of standing. Communication and Relationship Building

Excellent communication skills to serve as the main point of contact for local vendors, staff, and clients. Ability to build and maintain strong relationships with vendors, clients, and field teams. Logistics and Organization

Strong organizational skills to manage team schedules based on staffing needs for each activation. Experience tracking inventory, including product ordering, and receiving. Health and Safety Awareness

Understanding of health and safety standards as per provincial guidelines. Commitment to maintaining a high standard of cleanliness during all activations. Driving and Reporting Valid full G driver's license and willingness to complete daily travel/driving logs. Must be willing to complete and provide a clean drivers abstract if deemed a successful candidate. Adaptability and Ownership

Flexibility to own and manage activations from start to finish, including logistical planning and duties. Willingness to assist in scheduling and travel planning as needed. Software Proficiency

Comfort using company software for documentation and communication.
