

## French (Canada) Content Evaluator

[Apply Now](#)

Company: Likha Careers

Location: Canada

Category: office-and-administrative-support

**Position Type:** Independent Contractor

**Project Type** Long-Term Project

**Project Setup** Remote

**Industry** Artificial Intelligence (AI)

**Payments** \$13.00 USD. Payments will be processed biweekly, based on the completion of assigned tasks. Compensation is task-based, derived from an hourly rate. Each task is estimated to take approximately 2-4 minutes, ensuring fair remuneration for your efficiency and commitment.

### About the Job:

Are you adept at evaluating written content and refining language to its finest form? We're looking for someone with exceptional attention to detail and a native-level of proficiency in the Canadian French language to assess written prompts and responses. Strong linguistic expertise and the ability to effectively rework content are crucial. If you possess a strong command of language, guidelines, and a keen eye for precision, this role offers flexibility, enabling you to manage your workload according to your schedule and demonstrate your productivity.

### Scope & Responsibilities:

Regular Rating: Evaluate prompts and responses as per guidelines.

Validation Task: Verify the accuracy of previously evaluated content.

Rewriting: Enhance the clarity and coherence of texts.

### **Required Qualifications:**

Fluent in **English** and native-level proficiency in **French (Canada)**

Candidates from any location worldwide are welcome as this position allows for remote participation.

Strong written communication skills in English.

Reliable internet and computer/laptop access.

Deadline-driven and self-motivated.

Prior experience in evaluation or rewriting tasks is preferable.

**Take the first step in shaping AI's development—apply now and let your language skills shine!**

### **About the Client:**

Our client is an emerging leader in AI training data to power intelligent technology for global organizations, collaborates closely with Likha Careers through a strategic partnership. In tandem with an international network of contributors, they specialize in collecting and annotating data across multiple modalities with the speed, scale, and agility required by the enterprise.

Through its partnership with Likha Careers, our client remains committed to being an equal opportunity employer. The company ensures that no applicant faces less favorable treatment based on various factors including gender, gender identity, marital status, race, color, nationality, ethnicity, age, sexual orientation, socio-economic background, responsibilities for dependents, or physical or mental disability. All hiring decisions are solely based on evaluating skills, qualifications, and experience.

## About Likha Careers:

Likha is a traditional Tagalog (Filipino) word that means 'to create' or creation. At its ~~Likha~~, *Careers* exists to help create a world where people of all walks of life have the opportunity to participate in a positive and rewarding career where happiness, pride, and financial security are achieved. We do this through thoughtful, people-centric career services.

Let's create your career together!
