

## General Practitioner - Canada

[Apply Now](#)

Company: Telemedi - Digital Health Platform & Telehealth Provider

Location: Canada

Category: other-general

Telemedi is one of the largest providers of telemedicine in Europe and delivers comprehensive telemedicine solutions for insurers, assistance companies, medical entities, pharmaceutical companies and national healthcare systems. We offer innovative and high-qualified services that are used by an ever-growing number of patients across the world. As we are expanding our activity in Canada, we are looking for experienced and ambitious doctors to take care of our local patients. What would be your responsibilities? Teleconsulting and reviewing patients' symptoms, medical history, and current medications Formulating suitable treatment plans Prescribing medications to patients, if needed Maintaining accurate records of patients' medical history, medications, diagnoses, and healing process, all through our platform Issuing medical reports, recommendations and sick leaves, if needed Requirements Doctor of Medicine (MD) degree An unrestricted license to practice medicine in Canada We don't require any minimum availability per week/month Benefits Flexible schedule and complete control over working hours 100% remote work through our platform Dedicated support so you don't need to deal with any technical issues Possibility to work per hour or on a standby We will gladly discuss with you all the details of cooperation and particular prices. Please apply here and send your CV and we will reach you back by mail or in video-call.
