

## Health Care Aide

[Apply Now](#)

Company: Alberta Health Services

Location: Mannville

Category: other-general

### Your Opportunity:

As a member of our Nursing care team, the Health Care Aide will demonstrate genuine interest and respect for our clients and utilize your knowledge, skills, and abilities to competently provide direct client care. Client care may include assisting clients with activities of daily living, treatments and treatment plans and other nursing team related activities. The Health Care Aide responsibilities include providing basic nursing care to resident as an unregulated worker under the supervision of a Registered Nurse (RN), Registered Psychiatric Nurse (RPN), or Licensed Practical Nurse (LPN) in accordance with the resident care plans, policies and procedures. Assists in providing a clean and safe environment. Monitors resident progress and reports relevant information to the RN in a timely manner. Monitors and participates in care plan implementation as directed. Following demonstration of competence. Mannville Care Centre celebrated 100 years of healthcare in the community and is now home to 22 residents and approximately 50 staff with a doctor's clinic on site. Mannville is a unique Canadian community with a population of approximately 765 and is nestled in Alberta's heartland. Located on the junction of Highway 16 and secondary Highway 881 we are situated 83 kilometers west of Lloydminster and 181 km east of Edmonton. Surrounded by scenic river valleys and beautiful rolling fields, Mannville provides a picturesque view of rural Alberta.

### Description:

As a Health Care Aide (HCA), you are responsible for providing personal assistance, supporting activities of daily living and providing comfort and support services to patients (clients,

residents) who require short-term assistance or ongoing support. You will work closely with patients, families, and caregivers spanning the continuum of care in home, community or health care facilities. You will play a key role in providing safe, quality patient and family centered care while reflecting the shared vision and values of AHS.
