

Manufacturing Technician Required in Canada

[Apply Now](#)

Company: Skills Provision

Location: Canada

Category: other-general

Skills Provision is searching for a Manufacturing Technician for a company in Canada. Join a visionary team focused on delivering cloud-based, on-demand software-as-a-service that will revolutionize the way companies organize their business processes and bring products to market. With no underlying infrastructure for the customer, the product can be deployed extremely quickly, and innovations immediately made available. This stands in stark contrast to the approach taken by traditional software systems.

Sector: Manufacturing

Location: Regina, Canada

Position: Permanent

Salary & Benefits

C\$95,000 p/a

Benefits package available

Role

Set up/calibrate equipment/instruments based on engineering/customer requirements.

Effectively and successfully support 2 to 4 projects at any given time.

Assist in driving implementation of projects to meet the due dates and timelines.

Efficiently organise, store, and maintain tooling equipment.

Monitor on-going production and perform daily process condition checks.

Address and resolve technical issues.

Strictly follow company procedures and policies.

Perform calculations required for batch processing.

Clean, sanitise, assemble, and operate equipment according to standard operating procedures and/or manufacturer's instruction.

Follows safe working practices based on procedures while performing assigned duties.

Complete the required paperwork.

Requirements

Previous manufacturing experience is essential.

Degree in Engineering or another related subject.

Knowledge of Material Safety Data Sheets.

Must be able to read, interpret and apply schematics relating to designs.

Must have strong aptitude for mechanical and electro-mechanical operations.

Strong leadership qualities.

Must be able to work independently (without direct supervision).

Work with staff and resolve all technical problems.

Must display integrity, accountability, quality, and continuous learning & improvements.

Skills Provision is an ethical international recruitment agency, as such our adverts do not discriminate with regards to age, race, gender, colour, creed, religion, sexual orientation, disability, and nationality.
