Registered Nurse - Primary Care (Community Health Nurse)

Reference number:DIS23J--

Selection process number: 23-DIS-SK-EA-

Important messages

We are committed to providing an inclusive and barrier-free work environment, starting with the hiring process. If you need to be accommodated during any phase of the evaluation process, please use the Contact information below to request specialized accommodation. All information received in relation to accommodation will be kept confidential.

When you apply to this selection process, you are not applying for a specific job, but to an inventory for future vacancies. As positions become available, applicants who meet the qualifications may be contacted for further assessment.

Applications will be pulled from this inventory on the following dates:

December 15,

January 5,

January 26,

February 16,

March 8,

April 1,

Persons with disabilities preventing them from applying online are asked to contact 1---

'Written Communication' will be assessed at the time of application. Please read the instructions carefully when completing your application.

--> SELECTED CANDIDATES MUST BE WILLING TO RELOCATE TO SASKATCHEWAN. Applicants may wish to review the Relocation Directive for information pertaining to entitlement for relocation benefits: Nations and Inuit Health Branch (FNIHB), Indigenous Services Canada, is recruiting Registered Nurses to provide quality, evidence-informed nursing services.

Community Health Nurses deliver comprehensive health programs which include promoting, supporting and preserving the health of First Nations populations. Programs are designed in partnership with community members to promote environments that support good health. The maintenance of cultural competence and the provision of culturally safe care is paramount.

Health services are provided to all age groups, including but not limited to:

Public Health

Community outreach and health promotion

Chronic disease, communicable disease and outbreak management

Sexual Health and STBBI programming

Vaccination and well-child clinics

Maternal child health programming

Home Care

Case management

Care planning and coordination

Nursing services such as wound and post-operative care, foot care

Medication management

Personnel supervision

Work environment

Community Health Nurses, employed by Indigenous Services Canada, work in 19 First Nation

communities in rural areas of central and southern Saskatchewan, located across Treaty 4 & 6. Community Health Nurses enjoy both autonomous and team-based work. They work in community health centres or clinics and may also provide services in homes, schools, community buildings and at outdoor events.

By joining our team, you will build strong working relationships with First Nation communities, partners, and health professionals.

Intent of the process

A pool of qualified candidates will be established and may be used to staff identical or similar positions at this group and level with various tenures and in various locations within Saskatchewan.

Positions to be filled: Number to be determined

Information you must provide

Your résumé.

A response to a text question addressing the following:

In approximately words, please describe why you would like to work with First Nations communities.

This question will be used to assess the following qualification:

--> Communication (Written)

In order to be considered, your application must clearly explain how you meet the following (essential qualifications)

Ability to communicate in writing*

*All material collected through this process may be used to assess your written communication

The following may be applied / assessed at a later date (may be needed for the job)

ORGANIZATIONAL NEED

Indigenous Services Canada is committed to having a skilled and diversified workforce representative of the population it serves. In support of our strategy to achieve our

employment equity goals, preference may be given to candidates who, at the time of application, indicate that they are belonging to one of the following Employment Equity groups (self-declaration): Indigenous peoples, Women, Visible Minorities and Persons with Disabilities.

OPERATIONAL REQUIREMENTS

Willingness to relocate to Saskatchewan

Occasional requirement to work overtime

Occasional requirement for overnight travel

Willingness and ability to work overtime in the event of a public health emergency or outbreak

May be required to be temporarily reassigned to other communities as operationally required

Conditions of employment

Reliability Status security clearance

Possession of a valid drivers licence

Current BLS certification (to be renewed annually)

Continuous professional registration, in good standing with the College of Registered Nurses of Saskatchewan (CRNS)

Note: Candidates must meet and maintain the above conditions of employment throughout their employment

Other information

The Public Service of Canada is committed to building a skilled and diverse workforce that reflects the Canadians we serve. We promote employment equity and encourage you to indicate if you belong to one of the designated groups when you apply.

Persons are entitled to participate in the appointment process in the official language(s) of their choice

Candidates with foreign credentials must provide proof of Canadian equivalency

Candidates will be asked to provide proof of Canadian citizenship or permanent residency

All information obtained throughout the selection process, from the time of application to close of process, may be used to evaluate the candidates

Preference

Preference will be given to veterans first and then to Canadian citizens and permanent residents, with the exception of a job located in Nunavut, where Nunavut Inuit will be appointed first.

We thank all those who apply. Only those selected for further consideration will be contacted.
