

## SAP Finance Lead (Montreal, QC)

[Apply Now](#)

Company: SSENSE

Location: Montreal

Category: other-general

SSENSE is a global technology platform operating at the intersection of culture, community, and commerce. Headquartered in Montreal, it features a mix of established and emerging luxury brands across womenswear, menswear, kidswear, and Everything Else™. SSENSE has garnered critical acclaim as both an e-commerce engine and a producer of cultural content, generating an average of 100 million monthly page views, with approximately 80% of its audience between the ages of 18 to 40.

### Job Description

**About The Team:** SSENSE is seeking an experienced SAP Lead to join our team. The person will be responsible for leading a team and analyzing and designing SAP Finance & Order to Cash processes. This includes areas such as Account Receivable, Accounts Payable, Fixed Assets, Month End closing, Intercompany Sales, and other related processes. They will work closely with key stakeholders to gather requirements, identify areas for process improvement, and ensure that SAP Finance functionality meets the business needs. Additionally, they will collaborate with other functional teams, including Procure to Pay, Logistics, Integration, Workday, and IT, to ensure seamless integration of SAP Finance processes across the organization. The ideal candidate will possess strong technical skills and experience in SAP Finance implementation and support, as well as leadership skills to lead a team and work with stakeholders to provide support and suggest system and process improvements.

### Why Join Us:

Analyze and design SAP Finance & Order to Cash processes, including Account Receivable, Accounts Payable, Fixed Assets, Month End closing, Intercompany Sales, and other related processes.

Collaborate with key stakeholders to gather requirements and understand business needs, and provide recommendations for process improvements.

Ensure that SAP Finance functionality meets the business needs and is aligned with overall organizational goals and strategies.

Collaborate with other functional teams, including Procure to Pay, logistics, Integration, Workday, and IT, to ensure seamless integration of SAP Finance processes across the organization.

Lead and manage the SAP Finance Teams, providing direction, guidance, and mentorship as needed.

**Qualifications**

How To Excel In This Role:  
Bachelor's degree in Finance, Accounting, or related field.

Minimum of 8 years of experience in SAP Finance implementation and support.

Minimum 2 years experience in leading and managing a team.

In-depth understanding of Order to Cash processes, including Account Receivable, Accounts Payable, Fixed Assets, Month End closing, Intercompany Sales, and other related processes.

Strong technical skills in SAP Finance, including configuration and testing.

**What Sets You Apart:**

Leadership and people management

SAP Finance implementation and support

Order to Cash processes, including Account Receivable, Accounts Payable, Fixed Assets, Month End closing, Intercompany Sales, and other related processes.

Strong analytical and problem-solving skills with the ability to identify issues and provide recommendations for resolution.

Excellent communication and interpersonal skills to collaborate with cross-functional teams and stakeholders.

SAP Finance configuration and testing

Project management

Analytical and problem-solving skills

**Additional Information**

Perks And Benefits:  
Extended health and dental benefits, including comprehensive mental health programs and coverage

Parental top up program

Generous Employee Discount

Access to telemedicine and employee and family assistance program

Savings and retirement plan matching contributions

Gender Affirmation Coverage

Opportunity to work with cutting edge technologies and an innovative team that's pushing the boundaries of technology

SSENSE is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. If you need special accommodations, let us know. We will do our best to accommodate youHybrid remote/in-office
